## USE OF THE QUICK SPRAY UNIT

The Quick Spray Unit is to be returned to Ned and Anne Kater's property "Redcliff", Bombala upon completion of use unless a nearby neighbour has arranged through the landcare office to collect the unit from you.

As part of upkeep and maintenance of the unit please take time to fill out the maintenance book . Particularly if you are passing it on directly to another user.

If you are collecting the Quick Spray Unit directly from the previous user please read and sign the agreement in this folder and report any maintenance or breakages.

Upon completion of use of the quick spray unit please ensure the following:

- the unit is washed out thoroughly – inside and out
- fuel and oil checked
- water in battery checked
- The unit is checked over for any maintenance or breakages
- fill in the usage log book
- inform the landcare office of your usage time particularly if it is different from the initial booking time.

**THANK YOU FOR YOUR TIME – THIS WILL ENSURE THE LONGEVITY OF THE QUICK SPRAY UNIT**
